#### About the training:

- A one day in-depth course to learn the principles used by firefighters in suppressing wildland fire and protecting structures in the Wildland Urban Interface.
- Participants will learn about fire behavior prediction. They will apply this knowledge to the community's topography, fuels, weather, and the community's Fire Safe condition including the construction of homes.
- The training will include a field trip to selected homes to do a site assessment on lessons learned.
- The day will include discussion about evacuation and survival tips.
- Please register by contacting Ann Baldrige with the Fire Safe Council of San Diego County at 619-562-0096 or [ann.baldrige@rcdsandiego.org](mailto:ann.baldrige@rcdsandiego.org).
